

**COVID19 Protocols**  
**2022 Maine Pond Hockey Classic**

The Maine Pond Hockey Classic is working closely with Snow Pond Center for the Arts to ensure that all **Players, Volunteers and Spectators are kept as safe as possible**. Here is what you need to know and some FAQ's regarding the Maine Pond Hockey Classic's and Snow Pond's COVID19 protocols.

- Anyone experiencing COVID19 symptoms should not attend the tournament as a player, volunteer, or spectator.
- **Everyone (players, volunteers, spectators)** attending will be required to check in and show proof of full vaccination OR a negative COVID test from an authorized provider with your name and a corresponding ID within 48 hours of arrival to enter the tournament site or any Snow Pond Facilities.
- Everyone will get a wristband they will wear throughout the tournament weekend to demonstrate they are in compliance with the policy.
- Children 11 & under are exempt from this policy.
- Masks are recommended for inside settings.
- Full Snow Pond Center for the Arts Policy Available here: <https://snowpond.org/snow-pond-center-for-the-arts-update-in-regards-to-covid-19>

**On Site Rapid Testing**

Rapid antigen testing will be available **onsite at the lodge for a cost of \$20 per person**. Supplies are limited and these take 15 minutes each, please plan accordingly – we recommend showing up at least 1 hour prior to your first scheduled game time if you need an onsite test. If you are getting tested on-site, we ask that you wear a mask until 15 minutes after your test has been completed and we can verify that you do not have a positive test.

Q: Do I need to bring my actual vaccination card?

A: Digital proof (picture on phone) will be accepted for vaccination, along with corresponding identification.

Q: Where do I check in?

A: There will be a check-in area as you enter the ice and as you enter the lodge, COVID Testing will only be offered at the lodge.

Q: What happens if I've checked in but lost my bracelet?

A: Please visit our check-in station again to get another bracelet. You must wear the bracelet for the duration of the weekend.

Q: Are home test kits acceptable?

A: No, only tests from an authorized provider or the onsite rapid test will be accepted.

Q: Do I need to test every day?

A: No – just within 48 hours of initial arrival to the tournament/check-in.

Q: Do I need to be boosted to be considered fully vaccinated?

A: Booster shots are not required to comply with this protocol.

Q: Is there anyone exempt from vaccination?

Youth 11 & under, everyone else will need proof of vaccination or negative COVID Test to enter the facility.
